Chad,

I talked with Alex yesterday about this trip to Thailand. She said that USDA was pushing this trip, but she noted it may no longer be timely given that Thailand has now adopted the glyphosate ban. It is our understanding that State supported this mission and we will work with them regarding the current situation and future trip planning. Alex has communicated to USDA that she would be available to travel in January.

Jane

Subject: Schedule for Thailand trip

Good afternoon,

Please find attached a preliminary schedule for the Thailand trip. Could you provide Alex's travel availability for the weeks of December 2, 9, 16, and for the weeks of January 6 and 13? We will work to find a match with our Under Secretary McKinney's schedule, then work with post to determine availability of Thai counterparts. Thank you for your patience as we work out the scheduling.

I hope you all have a pleasant weekend.

Thanks,
Anastasia
